### [Reducing e-Waste with MeTech Recycling](#)

ITE formalised its partnership with MeTech Recycling Pte Ltd through a [Memorandum of Understanding \(MOU\)](#) to drive innovation, education, and sustainable practices in e-waste recycling. As part of the collaboration, ITE and MeTech will jointly launch a free online course on Data Sanitisation to educate the public on securely erasing sensitive information from devices. This initiative aims to reduce e-waste through recycling and repurposing of digital devices.

Dr Amy Khor, Senior Minister of State for Sustainability and the Environment, witnessed the MOU signing and presented awards to six winning teams from the ITE Colleges, who excelled in the Student Ideation & Design Competition 2024. Co-organised by ITE and MeTech, the competition challenged students to design a visionary concept for MeTech's Sustainability and Recycling Visitor Centre.
